

MONTEREY 11' FIBERGLASS UMBRELLA WITH CRANK AND AUTO-TILT

The Monterey fiberglass market umbrella is manufactured using the most resilient materials available. The half-inch thick fiberglass ribs allow the frame to bend and flex easily in windy conditions, while the durable aluminum center pole, and maintenance-free resin and stainless-steel parts ensure this umbrella will provide years of worry-free shade. Choose from a heavy gauge pulley system, sturdy crank no-tilt, or industry-best crank auto tilt. Available in five sizes and six beautiful frame finishes, the Monterey is designed to allow you to bring commercial durability home to your cherished outdoor living space.
