

**20" WHITE ROUND TEA TABLE WITH
VINTAGE WALNUT POLISOUL TOP**

PoliSoulTimber has grain and looks just like Mother Nature created it, but it has absolutely no wood in it. Not a single tree was cut down to make your PoliSoul furniture. I know it is hard to believe how beautiful it is and the way it feels. Since it is a fully synthetic product it will never shrink, crack, or expand giving you years of great looking space with minimal maintenance.
