

CATALINA 7.5' MANUAL LIFT PATIO UMBRELLA WITH VENT & VALENCE

Built with the sunniest days in mind, the Catalina Fiberglass Patio Umbrella will exceed your expectations. Its ultra-durable fiberglass frame and heavy gauge resin parts make this traditional umbrella the ultimate choice for your commercial or residential patio. Three frame builds allow you to select the Catalina that will best suit all of your shade needs. Constructed with the highest quality materials, eye-catching high-quality powder coated frame finishes and a variety of fabric colors, an umbrella from the Catalina collection will perfectly complement any outdoor setting.
