

## **METRO TRASH CAN**

The Metro Waste Receptacle is our most popular outdoor trash receptacle designs. Its' classic appeal makes it a preferred choice for theme parks, zoos, museums, and outdoor retail centers. This modern receptacle with a flared top design features a 36-gallon capacity and comes in your choice of color. The Metro trash receptacle features ribbed steel and complements our Metro bench. A hinged side door for easy access to the liner makes this item a best seller!
