

TEAK ADIRONDACK CHAIR

The Adirondack, so classic, so stylish, so durable, and above all else, so very comfortable. After studying, building, and rebuilding our chair many times, we've created the perfect Adirondack Chair by adjusting the angles for maximum comfort. It is so relaxing for your back, neck, and head, and when it is time to get up, unlike many Adirondack chairs, ours lets you get up easily. Try it. You will appreciate the difference.

- Teak is a superior wood for the construction of outdoor furniture.
 - Resistant to rotting, bug infestation, and the effects of wind, rain, sun, and snow.
 - Mortise and tenon joint construction adds strength and longevity
 - Easy assembly using solid wood dowels
 - Deep, comfortable seat and back are easy to get in and out of.
 - Extra-wide arms are great for setting books or drinks on.
 - To add extra comfort, add our Adirondack Footstool to complete your selection.
 - Left untreated, teak weathers naturally to a beautiful silver-gray color.
 - Will last for years in all weather conditions
