

TRAVIRA BAR CHAIR

This modern, mixed-material Bar Chair combines classic styling with a contemporary appeal. Travira is a great fit in any outdoor space and, whatever the application, is sure to make a bold statement. Perfect for everyday use in both commercial and residential settings, this bar chair features a raised back for maximum comfort. Fabricated using lightweight, low-maintenance, durable powder-coated aluminum, and Tekwood, one of the most authentic-looking wood-alternative products on the market, this bar chair is as durable as it is beautiful.

- Arrives fully assembled
- Premium commercial-grade materials ensure durability and longevity
 - Welded heavy gauge aluminum construction with stainless steel hardware
- The powder-coated aluminum frame is durable, lightweight, rustproof, weather-resistant and will remain beautiful over its lifetime
- Tekwood provides the look of teak with minimal weathering and maintenance
- Leg endcaps provide protection against marring and scratching of surfaces.
