

TRAVIRA COFFEE TABLE

Travira is a lightweight, mixed material collection that combines classic styling with a contemporary appeal. Travira is a great fit in any outdoor space. Whatever the application, Travira is sure to make a bold statement.

- Easy assembly
- Premium commercial-grade materials ensure durability and longevity
 - Welded heavy gauge aluminum construction with stainless steel hardware
- The powder-coated aluminum frame is durable, lightweight, rustproof, weather-resistant and will remain beautiful over its lifetime
- Tekwood tabletop provides the look of teak with minimal weathering and maintenance
- Leg endcaps provide protection against marring and scratching of surfaces.
